

QUALITY POLICY

**BANYOLES COLOR SL,
BANYOLES COLOR GESTIÓ SL,
SERVEIS DE MAQUINARIA BANYOLINA SL**

BANYOLES COLOR GROUP has more than 30 years of experience in the world of the application of powder paint to metal parts and the management of the pieces. In addition, and in accordance with our strategy of diversification of the business, in recent years we have designed and developed an own product, aimed at road sustainability.

Our strategic objective is to be a leader in the province of Girona in the field of powder paint and have a range of our own products, geared towards roadway sustainability, which allows us to open up to new markets, both nationally, As an international one, while increasing the productive burden of painting processes, assembling and managing parts.

The activities we consider to be in accordance with the quality required in accordance with the International Standard ISO 9001: 2015 are:

BANYOLES COLOR, SL → *Painted parts for industrial epoxy powder ans assembles.*

Management casting and machining.

BANYOLES COLOR GESTIÓ, SL → *Marketing and management of painted parts for industry.*

SEMAB, SL → *Design, manufacture and sale of bike racks, bike stands and accessories for motorcycles and bicycles.*

Marketing and management of painted parts for industry.

- ✓ **Guarantee the quality of the products** that we deliver to the client, with a high added value and that provide efficient and innovative solutions thanks to our experience and knowledge.
- ✓ To have **productive and efficient processes** that allow us the maximum flexibility, quality and speed in the service.
- ✓ Have a human team that actively engages in work and quality, facilitating **training, communication, participation and teamwork.**

In addition, BANYOLES COLOR GROUP will ensure compliance with the legal and regulatory requirements and for the continuous improvement of the efficiency of the quality management system.

This policy will be reviewed at least once a year by the Directorate to ensure its continuous adaptation to the future needs and the purpose of the company, serving as the basis for the establishment of the objectives. The Management puts the present Quality Policy at the disposal of the interested parts.

Cornellà del Terri, April 10, 2018.

Mr. Jordi Sorts
General Manager
