

QUALITY POLICY

**BANYOLES COLOR SL,
SERVICIOS DE MAQUINARÍA BANYOLINA SL**

BANYOLES COLOR GROPU has more than 30 years of experience in the world of applying powder paint to metal parts and in parts management. In addition, and in accordance with our business diversification strategy, in recent years we have designed and developed our own product, aimed at road sustainability.

Our strategic objective is to be a leader in the province of Girona in the powder painting sector and to have a range of our own products, aimed at road sustainability, which allows us to open ourselves to new markets, both nationally and internationally, by At the same time that we increase the productive load of the painting, assembly and parts management processes.

The activities that we consider conforming to the quality required according to the International Standard ISO 9001: 2015 are:

BANYOLES COLOR, SL → Epoxy powder painting of parts for the industry and assemblies. Casting and machining management.
SEMAB, SL → Design, manufacture and sale of parking lots, stands and accessories for motorcycles and bicycles.

In accordance with this objective, BANYOLES COLOR GRUPO adopts a Quality Policy focused on satisfying our customers through:

- ✓ **Guarantee the quality of the products** that we deliver to the client, with a high added value and that provide efficient and innovative solutions thanks to our experience and knowledge.
- ✓ Have **productive and efficient processes** that allow us maximum flexibility, quality and speed in service.
- ✓ Have a human team that is actively involved in work and quality, facilitating training, **communication, participation and teamwork**.

In addition, BANYOLES COLOR GRUPO will ensure compliance with legal and regulatory requirements and for the continuous improvement of the effectiveness of the quality management system.

This policy will be reviewed at least once a year by the Management, to ensure its continuous adaptation to future needs and the purpose of the company, serving as the basis for the establishment of objectives. Management makes this Quality Policy available to interested parties.
